Attn: Permit Section

Gentlemen:

Mal Landfill Corporation has been merged into SCA Services of Illinois, Inc. The former officers and directors of Mal Landfill Corporation are now the officers and directors of SCA Services of Illinois, Inc. Of course, both were wholly owned subsidiaries of the parent, SCA Services, Inc.

Our three landfill sites will continue their former identity: Milam Site, Chain of Rocks Site, and Barton Site.

Should there be any question with regard to the above, please contact me.

Very truly yours,

Kenneth S. Hartbarger
